

Contingency Planning Program

Metro Water Services has a copy of the emergency response plan on file. Due to homeland security concerns, Metro Water Services has elected not to publish this document in the Public Document Repository (PDR). Any one interested in reviewing this document as it relates to the Overflow Abatement Program's Consent Decree may do so by making an appointment with Metro Water Services Security Division.

Please contact Mose Jobe at (615) 880-2729 for further information.
