Re: Corrective Action Plan /Engineering Report Approval
Civil Action No. 3:07-cv-01056

Dear Mr. Potter:

The U.S. Environmental Protection Agency, Region 4 has received and reviewed the Nashville Metro Water Services' (MWS's) Corrective Action Plan/Engineering Report (CAP/ER), dated June 2, 2021. Upon consultation with the Tennessee Department of Environment and Conservation (TDEC), and pursuant to Section VI.B. 2 of the above referenced Consent Decree, the EPA hereby approves this document.

If there are any questions for the EPA, you may contact Mr. Dennis Sayre at (404) 562-9756, or via email at sayre.dennis@epa.gov or for TDEC, you may contact Angela Jones at (615) 762-7388 or via email at angela.jones@tn.gov. Please confirm receipt of this letter to Mr. Sayre at the email provided above.

Sincerely,

Jairo Castillo, P.E., Chief
Wastewater Enforcement Section
Water Enforcement Branch
